Installation of IP Camera

3. Fill up the credentials and then press the “Register” icon.

A screenshot of a mobile application's registration screen. The title bar is red with a white back arrow and the word "Register". Below the title bar, there are four input fields: "Email" with placeholder text "Please enter your email address", "User name" with placeholder text "Please enter your user name", "Password" with placeholder text "Enter a password with at L...", and "Confirm password" with placeholder text "Enter password again". At the bottom of the form is a large orange button with the text "Register". The status bar at the top shows the time as 3:36 PM, signal strength, VoLTE, and a battery level of 71%.

4. For existing user fill up the credentials and click on Login.

A screenshot of a mobile application's login screen. The title bar is red with a white back arrow and the word "Login". Below the title bar, there are two input fields: "Name" with the text "avij82" and a clear button (X), and "Password" with placeholder text "Please Enter password". Below the input fields is a large orange button with the text "Login". Underneath the button is the text "Forgot your password?". At the bottom of the screen is a blue link that says "Problem with Login?". The status bar at the top shows the time as 3:37 PM, signal strength, VoLTE, and a battery level of 71%.
